**RE: GRASS CUTTING TENDERS - YEARS 2010, 2011 AND OPTIONAL 2012**

The Grass Cutting Tenders for the Years 2010, 2011 and an optional year 2012, as received on or before 12:00 noon on Wednesday, April 14, 2010 have been identified on the attached chart.

The highest and the lowest tender amounts received were eliminated from the chart, as it was the opinion of the Public Works Superintendent that the works required could not be completed in a satisfactory manner acceptable to the municipality at such a low cost and nor should the taxpayers money be expended to cover an exorbitant cost for the work requested.

As a result of the removal of the lowest and highest tender amounts for Tender #6, a tie has occurred for this item. It is the recommendation of the Public Works Superintendent to award this item to Mr. Vollering due to his past performance and experience with respect to the provisions of this tender requirement.

The following resolution outlines the recommendations of the Public Works Superintendent, Mr. Cam Ward:
