January 30th, 2012(Colborne)

Community Care Northumberland – Colborne program office is pleased to announce that in partnership with area churches, a new Diners' Club program will be available for the residents of Grafton and rural Cramahe Township.

The Diner's Club program offered through Community Care Northumberland is an opportunity for seniors to enjoy a nutritious meal in a social, centrally-located setting. Meet old and new friends and enjoy some entertainment while enjoying the delicious meal.

Each month, the area churches will rotate hosting this program on the third Thursday of the month. Churches include:

- St. George's Anglican Church, Grafton (Feb)
- St. Andrew's United Church, Grafton (Mar)
- St. Mary's Catholic Church, Grafton (Apr)

This new monthly program will begin February 16th, 2012 at St. George's Anglican Church in Grafton. This is an old fashioned church lunch, prepared by members of the church, is open to the public for the reasonable price of \$10.00. All proceeds for this month's event stay in community, supporting St. George's Anglican Church.

"We are thrilled to find new community partners with the area churches." said Trish Baird, Executive Director of Community Care Northumberland. "This hosting rotation will allow us to expand our Diner's Club Program into an underserved area."
